Subject: **EXPORT OF ONION FROM PAKISTAN TO CHINA**

Dear Concerns,

FPCCI is pleased to apprise vide letter no. DDQ(H)-27/2020-21 (China) dated 28th March, 2022 obtained from the **Ministry of National Food Security & Research Department of Plant Protection**, Government of Pakistan, Karachi on the subject cited above.

The said **Ministry** has informed that **China** has granted market access for import of onion from Pakistan. In this regard, **Protocol of Inspection and Quarantine Requirements for the Export of Onion from Pakistan to China** has been signed on 23rd November, 2021 between **Pakistan and China**. Article (5), of the said protocol stipulates that the onion processing companies who are intended to export onions from Pakistan to China shall be registered and recommended by **DPP** after approval through audit, for further registration with **General Administration and Customs China (GACC)/NPPO-China**. The registration information shall contain name and unique identification code to ensure traceability.

In order to start registration of the intended onion processing companies/ enterprises for export of onion from Pakistan to China as per the Standard Operating Procedures (SOPs), provided by GACC/ NPPO – China.

In this respect, the Secretary Generals of Member Trade Bodies (**Chambers & Associations**) are requested to disperse this beneficial information among the onion processing companies to submit their applications along with address/ location of their processing facility with the said department, so that accordingly their registration process may be initiated as per SOPs.

Aspiring concerned members/ investors are requested to submit application for registration of their facility for export of onion from Pakistan to China. For further information/ assistance please do not hesitate to contact;
